Telling YOUR Story: *Nominations for Awards, Recognition*

Let us know of any awards for achievements in advanced biofuels.

Come See Us!

If you are attending of these conferences or events and would like to speak with any of our representatives, let us know at 301-644-1395 or email info @ AdvancedBiofuelsUSA.org and we'll make arrangements.

Say "Hello" at the F.O. Licht Sugar & Ethanol Brazil Conference — April 25-27, 2016 — Sao Paulo, Brazil

Lais F. Thomaz will be covering this event in Brazil for us. Visit with her in Portuguese or English.

25 - 27 April, Sao Paulo

Watch for her articles to follow on the Advanced Biofuels USA website, www.AdvancedBiofuelsUSA.org. [READ MORE](#)

We'll Be Covering the Global Agribusiness Forum — July 4-5, 2016 — Sao Paulo, Brazil

If you are at this event, please let us know and we can set up meetings with **Danilo Gusmao** and **Lais F. Thomaz** who will be covering this event in Brazil for us. Portuguese or English. Details to come. [READ MORE](#)

Learn about a Biofuels Project in Maryland at EnergyPath 2016 Conference — July 28-29 — Penn State/State College, PA.

Visit the Advanced Biofuels USA information table at the EnergyPath Expo to learn about advanced biofuels developments around the world.

Also, Advanced Biofuels USA executive director, **Joanne Ivancic**, will provide an update on the initial stages of a biofuels project in Maryland as part of the EnergyPath 2016 conference. Attend this session at 3:00 PM on Thursday, July 28.

"This event focuses on hands-on, practical information as well as on how "What You Can Do" fits into the big picture," explains Ivancic. "I look forward to participating with the exciting, inspiring attendees which include many students, faculty, business leaders, innovators, thought leaders and "doers" of all kinds." [READ MORE](#)

Don't forget, EnergyPath offers scholarships to students, teachers and faculty. [Get more information here.](#)

Upcoming Advanced Biofuels Conferences and Activities: *Details, Discounts, Deals*

12th Annual F.O. Licht's Sugar & Ethanol Brazil — April 25-27, 2016 — Sao Paulo, Brazil

25 - 27 April, Sao Paulo

- The latest information for 2016/17 season on sugarcane availability, the sugar/ethanol split and prices
- The latest in terms of new investments and new policy developments in Brazil
- Increasing capacity by 25% – how Brazil is going to supply both their domestic market and also international markets.

- Insights on 2G progress in Brazil and future investments

The F.O. Licht event series have achieved market leadership globally, with over 100 events in 25 different countries over the past 20 years, attracting 1000's of delegates from over 60 countries.

Every year we keep things fresh, providing you expert insights, unparalleled networking and excellent business opportunities around the world. [READ MORE](#)

SugarEx Philippines — May 12-13, 2016 — Negros, Philippines

This unique Sugar exhibition held only once every 2 years and co-located with Philippines International Sugar Technology Conference 2016 is Philippines' largest specialized sugar and bioethanol technology event that brings together an international congregation of sugar companies and also its supporting industries gathered in the capital city of Manila, Philippines to showcase the latest developments in the Philippines' sugar and

bioethanol industry.

Highlights Of Sugarex Philippines 2016:

A high-profile International conference entitled "Philippines International Sugar Technology Conference 2016", which will be attended by 200 international delegates and government officials from the Philippines Sugar industry.

Sugar and Bioethanol Technology Seminars

Visit to a renowned sugar mill and sugar refinery in Philippines [READ MORE](#)

OBIC Bioplastics and Biobased Composites Technology Forum — May 18, 2016 — Columbus, OH

Learn about the current state of the technology and be prepared to embrace relevant emerging technologies.

Hosted by the Bioproducts Innovation Center at The Ohio State University (OBIC) along with PolymerOhio, an innovation pipeline for plastics organizations, The Bioplastics and Biobased Composites Technology Forum will feature speakers that include industry leaders, entrepreneurs, researchers, and public

policy champions—all in one place, all on one day—to give you the information you need and to answer the questions you have about bioplastics.

Don't miss this important opportunity to learn:

Why the demand for bioplastics is projected at double digit rates and what markets are most promising

The current state of the technology and the challenges involved

What emerging technologies will address today's challenges and offer the next generation of growth markets [READ MORE](#)

European Biomass Conference and Exhibition (EUBCE) — June 6-9, 2016 — Amsterdam, The Netherlands

The European Biomass Conference and Exhibition (EUBCE) is a world class annual event which, since 1980, is held at different venues throughout Europe.

The EUBCE covers the entire value chain of biomass to conduct business, network, and to present and discuss the latest developments and innovations, the vision is to educate the biomass community and to accelerate growth.

The EUBCE will host a dynamic international Exhibition for companies and research labs to showcase their latest products and bringing scientists, technologists and key players together with leading Biomass industries and organizations. [READ MORE](#)

World Bioenergy Congress and Expo — June 13-14, 2016 — Rome, Italy

With the successful journey of Biofuels & Bioenergy conference in Spain, OMICS International conferences planned to continue Bioenergy conference series saga in Italy in 2016. On this auspicious occasion, OMICS International inviting the participants from all over the globe to take part in the World Bioenergy Congress and Expo during June 13-14, 2016 at Rome, Italy. International Fuel Ethanol Workshop & Expo — June 20-23, 2016 — Milwaukee, WI

7 Facts About Attending the International Fuel Ethanol Workshop & Expo

You'll Join More Than 2,000 Professionals Focused on Ethanol

Be a part of the largest gathering of ethanol professionals in the world. The best ethanol

industry products and services will be there.

Producers will be Attending

During the Last Three Years, 400+ Producers, Representing 87% of U.S. Capacity Attended Each Year.

Four Focused Sessions

With four tracks focused on Production, Leadership & Financial Management, Coproducts and Cellulosic & Advanced Ethanol, you'll be able to go in-depth on the topics that best interest you.

Strong Business Connections

Based on our surveys, 95% of attendees connect with the right people and make business deals happen.

Multiple Networking Sessions

As an attendee, you'll meet people and share your experience, products and/or services multiple times throughout the show.

Conference Social Media Site

You'll be able to gain access to attendees and communicate with them directly on Ethanol Connect, a Social media site exclusive only to conference attendees.

Food and Drinks are Included

As an attendee of the conference you'll enjoy breakfast, lunch and dinner in the expo hall. In addition to food, the bar in the expo hall will be open. [READ MORE](#)

***National Advanced Biofuels Conference & Expo — June 20–23, 2016
— Milwaukee, WI***

This year the National Advanced Biofuels Conference & Expo is co-located with the world's largest ethanol conference, the 32nd annual International Fuel Ethanol Workshop & Expo (FEW). The event will feature the world of advanced biofuels and biobased chemicals—technology scale-up, project finance, policy, national markets and more—with a core focus on the industrial, petroleum and agribusiness alliances defining the national advanced biofuels industry.

The National Advanced Biofuels Conference & Expo is tailored for industry professionals engaged in producing, developing and deploying advanced biofuels including cellulosic ethanol, biodiesel, biobased platform chemicals, polymers and other renewable molecules that have the potential to meet or exceed the performance of petroleum-derived products.

Attendees will include hundreds of professionals in key sectors including finance (venture, private and institutional equity); petroleum and petrochemical refining; pulp and paper milling; biofuels and biobased products manufacturing; agricultural processing; waste management; auto manufacturing; aviation; government/military; research and academia. Oleofuels 2016 — June 21-22 — Liverpool, UK

Current & Future Challenges & Opportunities for Liquid Biofuels from Oils & Fats

Oleofuels 2016 is the progression of ACI's highly successful European Biodiesel series of events which ran from 2008-2013. The change of name reflects the fact that the event will now cover all fuels made from oils & fats including biodiesel, HVO & bio jet as well as take a more global view which is key especially when it comes to certain feedstocks.

The two day conference will bring together the leading executives and experts from across the entire value chain for two days of informative presentations, interactive discussion & excellent networking opportunities. [READ MORE](#)

6th Annual World Congress of Bioenergy — June 30 to July 03, 2016 — KINTEX, Gyeonggi-do, South Korea

Leading Bio-economy for Next Decade —

Bioenergy has a significant impact on societies throughout the world in the past and continues to do so today. Bioenergy 2016 will showcase the bioenergy research in a global context and will bring together world-class researchers in bioenergy, including academia, policy makers, industrialists and other related stakeholders. It will include high profile plenary keynote speakers, subject-specific

break-out sessions, workshops and poster presentations.

Join us in Gyeonggi-do, South Korea for the Bioenergy 2016. Over the three days of the conference, there will be many opportunities to learn more about the industry in Asia as well as the latest global trends in fibre supply, sustainability, products, technology, policies and other drivers of the future bioeconomy. Global Agribusiness Forum -- July 4-5 2016 -- Sao Paulo, Brazil

The Global Agribusiness Forum (GAF), held every two years, is internationally recognized as the most important event of the agribusiness in the world. By encouraging debates between the most important leaders, authorities and specialists of the agribusiness, the event has been the platform to identify solutions

for the challenges and opportunities for the agriculture and livestock across the globe.

In its last edition, the global agriculture and livestock chain was officially represented by 1,100 leaders and authorities from 43 countries, 129 partner organizations, which included the private sector, governments, associations, entities, universities, non-governmental organizations and communication vehicles. The GAF counted with the official support of the governments of Brazil, European Community, Canada, Cuba, France, Turkey, Singapore and the state governments of Manitoba, Ontario and Sao Paulo. With live transmission by Canal Rural and internet, GAF was watched by 36,000 spectators.

In July 2016, the GAF2016 will promote the debate of how to integrate producers and consumers, add value to production and increasing productivity, ensure the food supply to the world of constant transformation and growth. The results and proposals of the event, once again, will be compiled and published in an official document – The Agribusiness Consensus – that will be sent as a suggestion to authorities of the agriculture sector, and public policies makers of all over the world. BioFuelNet's Advanced Biofuels Symposium (ABS) — July 6-8, 2016 — Vancouver, British Columbia

This Symposium brings together multi-disciplinary experts in the energy field, including top researchers, industry leaders and innovators from many sectors, to discuss key issues related to the development of a thriving advanced biofuels industry. This annual event also enhances coordination of research efforts in Canada, and fosters new ideas for research, collaboration and business development, in order to pave a sustainable path toward the

commercialization of advanced biofuels.

With each edition of the ABS comes a higher participating number, a direct indicator of the growing reputation of this event.

350+ expected attendees

Target: Top canadian and international researchers, students, industry members, government and investment stakeholders

Sectors: Bioeconomy, Biofuels, Biomass, Energy, Transportation [READ MORE](#)

**Euro Global Summit and Expo on Biomass — August 08-09, 2016 —
Birmingham, UK**

OMICS International Conferences invites all the participants from all over the world to attend 'Euro Global Summit & Expo on Biomass' held during August 08-09, 2016 at Birmingham, UK.

Conference Highlights:

- Biomass Conversion Methods
 - Biomass Applications
 - Biomass Energy Resources
 - Supply Chain Management
-
- Bioenergy Conversion Methods
 - Environmental Impact of Biomass
 - Biomass Handling
 - Advanced Biofuels
 - Biomass Market Analysis
 - Production of Biofuels
 - Landfill Gas as a Renewable Energy Resource
 - Biomass from Microbial Sources

(Theme: "A Step towards Development of Green Future")

**2nd International Congress and Expo on Biofuels & Bioenergy —
August 29-31, 2016 — Sao Paulo, Brazil**

OMICS International invites you to attend the 2nd International Congress and Expo on Biofuels & Bioenergy which will be held on August 29-31, 2016 at Sao Paulo, Brazil. The theme of the conference is "Accelerating Advancements and Frontiers in Biofuels & Bioenergy" [READ MORE](#)

Biopolymers and Bioplastics-2016 — September 12-14, 2016 — San Antonio, TX

By following the successful campaign of "Biopolymers and Bioplastics 2015", OMICS International Conferences is very delighted to Organize the "3rd International Conference and Exhibition on Biopolymers and Bioplastics" September 12-14, 2016 San Antonio, USA

On this propitious moment, we invite all the global participants to join us at San Antonio, USA for "Biopolymers and Bioplastics 2016", where you will be sure to

have a meaningful experience with world class professors, Researchers and many industrial experts from all around the world. [READ MORE](#)

9th Biofuels International Conference — September 20-22, 2016 — Ghent, Belgium

As biofuel producers, regulators and experts come together in Ghent to discuss the industry's transition to advanced biofuels, where will you be?

2 great networking tours now included in your delegate ticket!

With the 2 day conference focusing on the latest developments in biofuels policy, international biofuels trading, sustainability, solutions for first generation producers, progress in advanced biofuels and information on feedstock pricing and trends, it's a must attend industry event with many great networking opportunities.

Prior to the conference on 20 September, join us for a visit to Terneuzen and the locks, sponsored by Zeeland Seaports.

On 21 September after day 1 of the conference, all delegates and speakers are invited on board Port of Ghent's port yacht 'Jacob van Artevelde' for a port tour with finger food and Ghent specialities.

Don't miss out on these great networking opportunities all included in your delegate ticket – limited spaces! So be part of the industry's future and join us now. [READ MORE](#)

Palmex Indonesia — October 4-6, 2016 — Medan, Indonesia

The 8th PALMEX Indonesia 2016 is the only specialized Palm Oil event in Asia that brings together an international congregation of both upstream and downstream palm oil companies and also its supporting industries gathered in the capital city of North Sumatera, Medan to showcase the latest developments in the palm oil industry.

North Sumatera, home to one of Indonesia's largest concentration of oil palm plantations and also the presence of many supporting facilities such as palm oil processing plants making its capital Medan the perfect venue for the show. This unique event seeks to educate the public on the importance of the palm oil industry in Indonesia and the future trends of palm oil in the region. More than 7,000 industry professionals from more than 10 countries would be expected to turn up at this event. The international character and regional audience of PALMEX Indonesia 2016 provides unparalleled marketing, education and networking opportunities. [READ MORE](#)

2nd World Bio Summit & Expo — October 10-12, 2016 — Dubai, UAE

Bio Summit 2016

2nd World Bio Summit & Expo
Dubai, UAE
October 10-12, 2016

OMICS International a pioneer in organizing scientific conferences all around the world is gearing up for 2nd World Bio Summit & Expo which is schedule to be held during October 10-12, 2016 in Dubai, UAE.

Bio Summit-2016 is a specially designed cluster conference with a theme: Recent advances in Bioscience. It is an immense pleasure and privilege to welcome you here with us to honor your hard-earned scientific discoveries, innovations and would like you to share, extend and impart your valuable thoughts to the Global scientific community.

The scope of the conference includes but not limited to:

- Frontiers in Biotechnology
- Biotechnology and its Applications
- Medical Biotechnology
- Biotechnology in Petroleum
- Industrial Biotechnology
- Nano biotechnology
- Agro-Biotechnology
- Biomedical and Translational Medicine Research
- Bioinformatics and Computational Biology
- Biomedical Engineering
- Anti-Microbial therapeutics
- Recent Advances in Biochemistry
- Bio ceo & Investors conclave

7th Carbon Dioxide Utilisation Summit — October 19-20, 2016 — Lyons, France

ACI's 7th Carbon Dioxide Utilisation Summit 2016 will explore the ongoing developments of turning waste CO2 into profitable, commercially viable opportunities. With insights from key industry players from pilot stage to full scale entities, the conference will address both the technical and commercial aspects of CO2 utilisation in Europe and across the globe. This edition aims to highlight the changes post COP21 addressing challenges & opportunities in framework

across CO2 emitting industries such as Industrial Manufacturing, Power to Gas/Liquids, Fuel, Petrochemical, Chemical, Urea, Algae and Power/Energy.

The conference is designed to appeal to professionals interested in learning about the commercial future of carbon dioxide utilisation. If you are looking for a comprehensive progress update on the global CO2 Utilisation industry, including growth outlook and updates on the latest technological advancements, then look no further than ACI's 7th Carbon Dioxide Utilisation Summit. Algae Biomass Summit — October 23-27, 2016 — Phoenix, AZ

The 10th Annual Algae Biomass Summit will take place October 23-27, 2016 at the Renaissance Glendale Phoenix Hotel & Spa in Phoenix, Arizona. ABO expects more than 600 attendees from countries around the world to come to the event to learn the newest breakthroughs in algae technology, network with industry leaders, and see Arizona's algae innovation first-

hand through regional research and commercial facility tours.

The region has quickly become a hub of algae research and commercial activity. With ABO members Heliae, the US Department of Energy-funded Algae Testbed Public-Private Partnership (ATP³), the Arizona Center for Algae Technology and Innovation (AzCATI), as well as programs at Arizona State University, Phoenix is home to major efforts to commercialize algae-based products in a variety of end markets. 6th International Symposium on Energy from Biomass and Waste — November 14-17, 2016 — Venice, Italy

The aim of the Venice 2016 Symposium is to focus on the advances made in the application of technologies for energy recovery from biomass and waste and to encourage discussion in these fields. The previous edition of the Symposium, held in 2014, was attended by over 500 scientists and operators from approximately 54 different countries.

The sixth edition of the Symposium will feature:

- Three days of scientific presentations
- One day of guided technical tours at biochemical and thermochemical plants
- Six parallel oral sessions, poster sessions and an exhibition by companies working in the field
- Expected attendance of over 600 delegates from tens of different countries worldwide

World Biodiesel Congress and Expo — December 5-7, 2016 — San Antonio, TX

OMICS International invites all the participants across the globe to attend the World Biodiesel Congress and Expo which will be held on Dec 5-7, 2016 at San Antonio, USA. ". This scientific gathering guarantees that offering the thoughts and ideas will enable and secure you the theme Biodiesel: Sustainable Future Fuel. Biodiesel 2016 is comprised of 6 tracks designed to offer comprehensive and interesting sessions that address current trending technologies in the field of

renewable energy.

World Biodiesel Congress and Expo will add a contribution to the conference series in the field of Biofuels. [READ MORE](#)

CELEBRATE EARTH DAY EVERY DAY! Please DONATE!

Advanced Biofuels USA relies on Individual Contributions, Corporate Donations, In-Kind Donations and the Work of Many Volunteers to enable this organization to promote the understanding, development and use of advanced biofuels and to inspire action.

You can now make a secure donation to Advanced Biofuels USA via PayPal by clicking on the "[Donate](#)" button above. It's quick, easy and safe. Make it a year-long gift by making monthly installments automatically.

You can make your gift in memory or in honor of someone special. Just let us know.

Call (301-644-1395) or send an email: info@AdvancedBiofuelsUSA.org. We'll send a special card acknowledging your gift.

Don't let this opportunity slip away! [DONATE](#) Now! Thank you for your support.

You have received this newsletter because you indicated to us an interest in Advanced Biofuels USA. We hope you find it useful. If you want to stop receiving these occasional newsletters, just follow the instructions below.
