Upcoming Advanced Biofuels Conferences and Activities: *Details, Discounts, Deals*

2018 CAAFI General Meeting and ASCENT Symposium — December 4-6, 2018 — Washington, DC

The CAAFI Biennial General Meeting is an excellent opportunity for CAAFI stakeholders and leaders alike to experience the momentum of the alternative aviation fuel market, which continues to develop and mature every year. CAAFI scheduled its General Meeting for December of this year to allow for the presentation and discussion of results from this year's pending ICAO CAEP and Assembly meetings, progress on, or analysis of, the next Farm Bill, mid-term election results and implications, and the maturation of several commercial activities. Plenary sessions will address all aspects of alternative jet fuel supply chain development and deployment.

The 2018 CAAFI Biennial General Meeting will also include a special partnership with the Aviation Sustainability CENTER (ASCENT) of Excellence, which will use the Meeting as an opportunity to share alternative jet fuel research and progress with the broader CAAFI community. We welcome ASCENT's partnership and look forward to their presentations!

The CAAFI team welcomes your participation in our Biennial General Meeting! [READ MORE](#)

***Biomass Trade Summit Europe 2019 — January 16-17, 2019 —
Rotterdam, The Netherlands***

ACI is pleased to announce the 4th edition of a successful series of events, now with a more specific focus & name, Biomass Trade Europe Summit. The event will bring together senior executives and experts from the biomass trading industry, biomass producers, energy companies, policy makers, consultants, technology innovators and leading market analysts to discuss the latest challenges and developments within the industry.

The two day event will give you an insight into the industry`s latest regulations— The Renewable Energy Directive (RED II) & Sustainable Biomass Program (SBP) certification schemes impacting on biomass sustainability & operations, biomass transportation & logistics in the environmental context, the future of biomass sourcing , as well as long term economy & investment strategy paths. Lignofuels 2019 Conference — February 12-14, 2019 — Oslo, Norway

Now on its 11th edition, this two day conference will once again bring together key lignofuels stakeholders to join our forum discussions and networking, including leaders from advanced generation biofuels companies from across the globe represented by Technical, Strategic and Business Development Executives from First and Advanced Generation Biofuels Producers, Oil Refiners, Process Technology Providers, Enzyme Developers, Engineering Firms and Agribusiness as well as Financiers, Investors, Policy & Regulators, Automotive & Aviation Industries, Consultants, Traders & Brokers and Chemical Companies.

With its interactive format and numerous networking breaks it will also provide a senior level platform for representatives of the entire value chain, allowing attendees to benefit from excellent networking opportunities.

In addition to the main two day event on Tuesday, 12th of February, a day prior the conference, limited number of conference delegates will have a unique opportunity to join an exclusive site visit to the Borregaard's biorefinery production facility in Sarpsborg, Norway. There is no extra charge to join the site visit, although places are limited and allocated to the conference delegates on first come first served basis. Therefore, we would strongly suggest to book your place early to avoid disappointment.
